Family passes are \$125 for a basic pass which includes up to four household members. Basic Plus will be an additional \$25 for each household member beyond four. Family summer baby sitters may be included on family pass form. Regular pool admission will be 18 & under \$2.25 and 18 & over \$3.00. Pool Party rentals will also be available. Price sheets & Pool Party forms can be obtained at the Palmyra Community Pool, The Parks & Rec office and may also be downloaded from the showmepalmyra.com website. Swim Lessons, Day Care Swim & Water Aerobics TBA. The Palmyra Parks & Recreation Community Pool staff is looking forward and will be very prepared for a fun safe 2008 swim season. Swim tests are used to determine if a person has the minimum level of swimming ability required to participate safely in activities, such as swimming in deep water, riding a slide that empties into deep water or jumping of a diving board into deep water. All swimmers must report to deep end guard if they are wanting to go off the diving board. A swim test can be given at every pool check. Swim test will consist of swimming the length of the rope successfully without grabbing on to the rope.
